Master Gardening Volunteer Opportunities

Please select areas of interest and the coordinator will contact you when opportunities arise.

Bug Fest – Coordinator TBD

An education event related to all things entomological held at Hilltop Garden & Nature Center in June 2020. Volunteers are needed to help with setup, staffing, activities, clean up, and other activities for the day.

MCMGA Garden Fair – Coordinator Nancy White

A public event completely organized and sponsored by MCMGA volunteers. Fair volunteers plan and implement the registration, site set-up and cleanup, educational seminars, the café, publicity, attendee bags and assist exhibitors of garden related materials and services. The Garden Fair is April 4, 2020.

~OVER~

Courthouse Native Gardens – Coordinator Amy Thompson
Help with planting, maintaining and labeling the native landscape at the Monroe County Courthouse.

Master Gardener Information Booths – Coordinator Maren Claus
Volunteers help staff the Master Gardener Information Booth at the State Fair, Indianapolis Flower and Patio Show, Monroe County Fair, and other venues as needed.

MCMGA Education Committee – Coordinator Terri Vicenzi
Volunteers help secure speakers for our general meeting, MCMGA Garden Fair, Garden Chats at the County Fair, and other educational opportunities for our members.

MCMGA Membership Committee – Coordinator Pam Roberts
Volunteers help develop programs and initiative aimed at increasing and maintaining membership.

Monroe County Fair – Coordinator Amy Thompson
Volunteers are needed to help with judging, check-in, setup and clean-up. Areas include vegetable exhibits, flower & plant exhibits, display setup, etc. Fair is the week of June 28, 2020.

Roots & Shoots Newsletter – Coordinator Beth Samuelson
Volunteers are needed to solicit or submit articles for our newsletter.

WonderGarden – Coordinator Nancy White
Part of the WonderLab Museum of Science, Health and Technology, WonderGarden provides a site where MCMGA volunteers design spaces, maintain plantings, and mentor community volunteer groups as they learn best gardening practices.

Cheryl's Garden at Karst Farm Park – Coordinator Sandy Belth
Located on Bloomington's west side, this small garden, dedicated to former Master Gardener Cheryl Coverdale, needs to be maintained throughout the growing season. Volunteer schedule is determined by coordinator but generally will be early morning or evening work.

Submit dues and completed application to:
Monroe County Master Gardener Association, Inc.
3400 South Walnut Street
Bloomington, IN 47401
